PERSONAL STATEMENT

As a customer service-oriented WordPress developer with over 5 years of experience, I am dedicated to delivering exceptional client experiences and ensuring high levels of customer satisfaction. My approach focuses on understanding and addressing client needs through innovative UI/UX design and advanced SEO techniques, consistently resulting in enhanced online visibility and user engagement. I excel in custom theme development, responsive design, and ensuring accessibility, crafting solutions that are both visually appealing and functionally robust. My work ethic and passion for problem-solving drive me to create websites that not only meet but exceed client expectations, aligning closely with business objectives and making a meaningful impact.

Digital Designer – London South Bank

May 2021 - 10/2021

London South Bank University – <https://lsbu.ac.uk>

My Role:

- **Digital Design Support:** Partnered with the Research Enterprise and Innovation Operations Team to provide comprehensive design solutions for various projects.
- **Material Organization:** Systematically classified and allocated materials to appropriate departments to streamline workflows.
- **Training Format Development:** Created and implemented new training formats, including animations, interactive quizzes, webinars, and PDF templates, to enhance learning experiences.
- **Framework Integration:** Collaborated with operations administrators to seamlessly incorporate training materials into existing frameworks. Designed and developed new templates from scratch or adapted existing ones to meet specific project requirements.

Mini Cab Driver London / PCO Licensed / TFL

07/2012 - 10/2017

Chelsea and Westminster Hospital – <https://www.chelwest.nhs.uk>

Skills:

- **Safe and Reliable Service:** Ensured passenger safety and reliability by providing consistent and secure transportation.
- **Effective Communication:** Cultivated strong communication and interpersonal skills through building rapport with a diverse range of passengers.
- **Continuous Professional Development:** Maintained up-to-date knowledge of traffic regulations and adapted to new technologies, reflecting a commitment to ongoing learning and improvement.
